**Reservations Required, Call Michelle at 203-966-3911 or
mduherty@voicesofsept11.org**

Why a Daffodil? The Daffodil Project was founded in response to the attacks of September 11 as a memorial, which would raise the spirits of New Yorkers and revitalize parks and communities. The Daffodil Project is a lasting tribute to the people who were lost and a symbol of remembrance and rebirth in the heart of what is common ground for all of the citizens of New York: their public parks.

161 Cherry Street
New Canaan, CT 06840

Always Remember

Interfaith Service
Saturday, March 24, 2012
10:30 AM

Join VOICES for the Always Remember Interfaith Service which will include uplifting music and reflections. The service will be held at the historic St. Peter's Church just three blocks from the World Trade Center site. St. Peter's is the oldest Catholic Church in New York State, founded following the Revolutionary War when New York was the U.S. capitol. In the wake of the attacks on 9/11, the Church was used as a command station and a sanctuary for relief workers.

The interfaith service will be followed by light refreshments and a visit to the 9/11 Memorial. Due to space limitations, reservations are required and will be allocated on a first come basis.

RSVP by March 19th: 203-966-3911
