Dear Friends,

Greetings on the occasion of the sixth annual *Always Remember* event, hosted by Voices of September 11th. As we work towards the opening of the National September 11 Memorial Museum in the spring of 2014, your support of the Voices' 9/11 Living Memorial project could not be more important.

The Living Memorial project directly contributes to the mission of the 9/11 Memorial Museum to commemorate the 2,983 individuals who were killed in the 9/11 attacks and 1993 World Trade Center bombing. Over the years, we have worked with Voices to reach out to family members to contribute to the creation of the Museum through the submission of photographs, oral and written remembrances, and mementoes for inclusion in our memorial exhibition. The 9/11 Living Memorial has been a crucial vehicle for families to preserve the memory of their loved ones and to share these remembrances with future generations.

Since opening the 9/11 Memorial just over two years ago, we have welcomed over 10 million visitors from around the country and all over the world. Visitors to the Memorial come to remember, reflect, and understand the events that changed our world forever. The 9/11 Living Memorial will be an important resource for those seeking to deepen their understanding of the impact of 9/11 on real people and their loved ones.

As an interactive and searchable database, the 9/11 Living Memorial facilitates the participation of family members, friends, and colleagues in the commemoration of their loved ones. At the same time, the Living Memorial provides deeply meaningful content for the 9/11 Museum's exhibitions and collections.

Thank you for supporting our shared commitment to preserve the memories of the nearly 3,000 innocent men, women, and children who perished.

Warm regards,

Joe Daniels
President and CEO
