THE HON. JOSEPH I. LIEBERMAN
UNITED STATES SENATOR, RETIRED

October 1, 2013

Dear Friends:

I am honored to send every good wish to you as you gather for the Sixth Annual *Always Remember Gala* at Guastavino's.

The Voices of 9-11 organization was created after the tragedy of the terrorist attacks on America on 9-11-01, and has since made an enormous difference in preserving the legacy of the victims of 9-11, helping to prevent another attack from occurring, and preparing communities to respond to such traumatic events. Your work is the most fitting and vibrant tribute that could be offered to those who lost their lives on 9-11.

Thanks to Mary and Frank Fetchet, the parents of Brad Fetchet, and to all of you who have worked so hard to do so much to make sure that America will always hear the Voices of 9-11.

I send special, warm wishes and admiration to your keynote speaker, former Secretary of State Hillary R. Clinton, and to your awardee Commissioner Ray Kelly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Lieberman', written over a large, stylized blue scribble that extends across the page.

United States Senator, Retired
