### ***ALWAYS REMEMBER...***

Wednesday, October 16th, Voices of September 11th will host its *6th Annual Always Remember Gala*. We are honored that our long time friend, Secretary Hillary Clinton, has graciously agreed to be our keynote speaker. In addition, we will be recognizing Commissioner Raymond W. Kelly with a Building Bridges Award for his leadership in keeping us all safe since 9/11. This special evening will be an opportunity to gather with our friends and supporters to reflect on our accomplishments and learn about our exciting new initiatives.

The *Always Remember Gala* will raise funds to continue our work with families, responders and survivors and expand the 9/11 Living Memorial Project. The Gala will also support our ground breaking efforts to assist communities affected by other tragedies.

### **ABOUT VOICES OF SEPTEMBER 11<sup>TH</sup>**

Voices of September 11th is nationally recognized for its innovative approach to providing a wide range of support services that promote resiliency for thousands of 9/11 families, first responders and survivors. The VOICES 9/11 Living Memorial Project chronicles the nearly 3,000 lives lost and documents stories of survivors. The Living Memorial, an extensive collection of over 70,000 photographs and personal keepsakes, will be a core component of the exhibits at the 9/11 Museum in NYC. A strong advocate for national preparedness, VOICES promotes reforms to make the country safer and shares best practices to heal families and communities after tragedy.

### **HEALING FAMILIES AND COMMUNITIES AFTER TRAGEDY**

Recent acts of mass violence and natural disasters have underscored the need for communities to be better prepared. In 2014, VOICES will launch a Resource Kit and a comprehensive program to assist communities in preparing for, responding to, and recovering from incidents of mass violence or natural disasters. The recommendations are based on lessons learned from the response to the attacks on September 11th, the Oklahoma City bombing and the shootings at Virginia Tech, Northern Illinois University and Tucson, Arizona.

VOICES is committed to helping families and communities heal after tragedies by assisting organizations in establishing a framework for public/private partnerships that will promote resiliency in the lives of those impacted.
