Invitational Golf Tournament

Monday, May 1, 2006
High Mountain Golf Club
Franklin Lakes, New Jersey

KIDS JUST WANT TO HAVE FUN:

This is what Hope With Heart is all about — KIDS AND FUN. We are a residential camp program for children with severe to moderate cardiac problems. At HOPE WITH HEART, the more serious the problem, the more appropriate the child is for our nine day camp session.

There are no fees or other expenses charged to families. Children, 7 to 15, participate in camp. Our senior program is for campers aged 16 and 17. Once they are 18, campers are eligible to be counselors.

We operate at a facility in Orange County, NY. Pediatric cardiologists provide medical oversight and registered cardiac care nurses remain with the campers throughout the session.

During camp or at other functions, campers realize they are not alone. We encourage campers to share their medical experience whether it be a transplant, a congenital defect, a surgical procedure or a pacemaker.

Through HOPE WITH HEART our campers come to understand each other and themselves. They bond in a magical way and...

THEY HAVE FUN!!
