

Dear September 11th Families, Rescue Workers and Survivors,

Voices of September 11th cordially invites you to our annual Forum and Commemorative Luncheon to mark the Sixth Anniversary. The theme of this year's two day event is "Preserving 9/11" highlighting the 9/11 Living Memorial project, a permanent digital archive, commemorating the Lives and the Stories of September 11, 2001. Both events will again be held at the Marriott Financial Center Hotel, 85 West Street, New York City, adjacent to the World Trade Center site.

The "Preserving 9/11" Forum will be held on Monday, September 10th from 12 Noon to 5:30 PM and will feature 9/11 Living Memorial exhibits, workshops and panel discussions. Preservations experts from the National Archive, Library of Congress, U.S. Forest Service Memorial Project and New York State Museum will provide information on techniques to properly preserve your priceless photographs, personal belongings of your loved ones and 9/11 memorabilia. In addition, the WTC Memorial Foundation will update you on the WTC Memorial Museum. Finally, a magnificent quilt by Mary Henderson will be dedicated to the 9/11 Living Memorial.

A panel discussion on the 9/11 Living Memorial will include family members, survivors, and corporations sharing their personal experiences participating in the project. Exhibits will feature family tribute pages, artwork, memorials and other tangible items from the 9/11 Living Memorial archive. Family members, rescue workers, survivors and other members of the 9/11 Community are encouraged to bring personal items that you would like to include in the 9/11 Living Memorial archive. Appointments can be made to scan photographs and documents during the events.

The Commemorative Luncheon will be held at the Marriott on Tuesday, September 11th, 2007, from 12 Noon to 3:00 PM, immediately following the Commemorative Events. The 9/11 Living Memorial exhibition, featuring many of the elements of the 9/11 Living Memorial website will be on display before and after the luncheon

An updated schedule of events will be available soon in our weekly e-Newsletter, on the VOICES website ([www.voicesofsept11.org](http://www.voicesofsept11.org)) and included in our quarterly newsletter which you will receive in the mail.
