

Welcome to the VOICES 21st Annual Remembrance Symposium

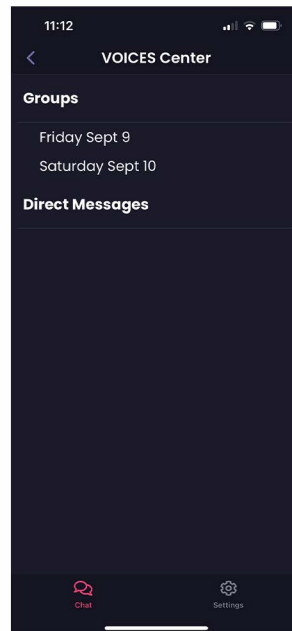

VOICES will be utilizing Mercury Workspace as the encrypted communications platform for the Symposium and invites you to submit questions to speakers throughout the event. Here's how to get started:

Click on the link from your email or scan the QR code for access.

Enter the following:

- First and Last Name
- Email Address
- Create Your Password
- Create Account
- Set-Up MFA (or skip)
- Continue using Web App (mercuryworkspace.com) or download iOS app ([Mercury Workspace](#)) and login. Mobile browser can be used on Android devices.
- Please click on the groups designated by the VOICES administrators, 'Friday Sept 9' and 'Saturday Sept 10' and add your device.

Asking Questions

To submit a question, type in the text box at the bottom of the screen and click send ➤

Please ensure you are posting in the correct group for the session.

For any Mercury Workspace support needs, contact event@securedcommunications.com.

Secured Communications' Global Social Responsibility Grant Program: Secured Communications embraces our responsibility to offer Mercury Workspace to law enforcement agencies, global security, and law enforcement/security related non-profit organizations and we are proud to offer special rates to eligible agencies and organizations. To learn more, please contact GSR@securedcommunications.com.
