VOICES is hosting its **22nd Annual Remembrance Symposium** on September 9 and 10 in NYC. Presented in partnership with Leadership in Counter Terrorism Alumni Association (LinCT-AA) and the International Network Supporting Victims of Terrorism and Mass Violence (INVICTM), the two-day event includes distinguished professionals working in national security, law enforcement, and victim services.

September 9 Program

Building Trust Through Partnerships. Our first day highlights VOICES important collaboration with LinCT-AA and INVICTM. Building upon LinCT-AA's Conference, *Courage to Continue*, presenters will share their expertise and firsthand experience, identify challenges, and propose solutions through public-private partnerships in the U.S. and abroad.

September 10 Program

Forging Pathways to Resilience. Our second day program reflects the strength and resilience of the 9/11 community.
