

September 9 and 10, 2024

New York Marriott Downtown | 85 West Street, New York City

23RD ANNIVERSARY SYMPOSIUM

PRESENTED IN PARTNERSHIP WITH

From 9/11 to Today, Bringing Communities Together

VOICES is hosting its Annual New York City Symposium on September 9 and 10. The two-day event, held in person and broadcast live, is presented in partnership with Leadership in Counter Terrorism Alumni Association and the International Network Supporting Victims of Terrorism and Mass Violence, along with our 9/11 Community Partners.

Monday, September 9 | Professionals

Day one highlights VOICES collaboration with LinCT-AA and INVICTM – bringing together professionals from law enforcement, counterterrorism, emergency management, corporate security, and victim-support organizations. Presenters will share their expertise and firsthand experience, identify challenges, and propose solutions through public-private partnerships to prepare for and respond to tragedies in the U.S. and abroad.

Tuesday, September 10 | 9/11 Community

Day two is supported by our 9/11 Community Partners who have devoted their careers to assisting all those impacted by 9/11. The program underscores VOICES mission to provide long-term support for victims' families, responders and survivors, with updates on ongoing issues, including mental health and medical care, litigation, compensation and more. The annual event allows the 9/11 Community to gather in advance of the anniversary.

VOICES Annual Symposium continues to grow in size and scope. Last year our flagship event reached over **1,300 individuals** – in person and virtually – from **28 states** and **16 countries**. Scan the QR code to learn more and view the video presentations from 2023.
