

VOICES ANNUAL CAMPAIGN LEVELS

\$10,000 – VOICES Signature Events

Powering the 25th Anniversary Underwrite our annual events: VOICES Annual NYC Symposium (at the New York Marriott Downtown in September), Always Remember Gala, Building Bridges Luncheon, and our Annual Golf Outing. Your financial leadership expands our circle of impact and supports future endeavors.

\$7,500 – VOICES 9/11 Living Memorial

Preserving Every Story, Honoring Every Life Expand VOICES 9/11 Living Memorial – a digital archive of more than 87,000 photographs, tributes, and mementos honoring the 2,977 lives lost on 9/11 and those who have passed due to 9/11-related illnesses. Your support safeguards these memories for generations to come.

\$5,000 – VOICES Digital Resource Library

Promoting Healing and Resilience Through Research Underwrite the archive that provides evidence-informed resources and research to elevate the work product for professionals in the fields of mental health and emergency response. Your contribution preserves unique resources for scholars, support service providers, and professionals in government and law enforcement.

\$2,500 – VOICES in the Community

Strengthening Families Through Parents Helping Parents Support Parents Helping Parents, founded by New Canaan parents who experienced the unimaginable loss of a child. Though their stories differ, their bond is shared. Your gift sustains this compassionate peer network while keeping critical support close to home.

\$1,000 – Public-Private Partnerships

Advancing VOICES Mission Nationwide Strengthen VOICES ongoing work serving victims' families, responders, and survivors while expanding outreach and preparedness efforts across communities. This level fuels the backbone of our mission.

\$500 – Ongoing Support

Providing Care When It's Needed Most Fund VOICES Mental Health Services, including consultations, referrals, and support groups. As needs have increased – particularly among those impacted by 9/11-related illnesses. Your support allows VOICES to double its offerings to ensure no one navigates grief or trauma alone.

\$250 – Education

Sharing Lessons That Save Lives Advance VOICES Education Programs, bringing together public/private partners through webinars and workshops with funding that features experts in mental health, national security, emergency response, law enforcement, and public policy.

\$100 – Training

Preparing Communities to Respond with Compassion Support Community Preparedness Trainings that equip emergency managers, civic leaders, and service providers with valuable information. Your donation is essential to this victim-centered framework and training, grounded in VOICES decades of experience.
