We invite you to attend the first
Voices of September 11th fundraising gala
to support the creation of the

9/11 Living Memorial digital archive.

The **9/11 Living Memorial** commemorates
the lives and stories of September 11, 2001 and
February 26, 1993, including the firsthand accounts
of survivors, rescue workers and corporations.

This historic project will ensure that future generations
will always remember both those who lost their lives and
the inspirational stories of how our nation came together.

Join us to celebrate the evening with our special guests!
