

Dear 9/11 Families,

Please see the links below to find a copy of the unauthenticated transcripts of the arraignment, and videos of the press conferences held by the defense, the prosecution, and one of the VFMs who attended the hearings in GTMO.

<http://www.mc.mil/CASES/MilitaryCommissions.aspx>. To view the transcripts, click on "charges pending/active" then "Khalid Sheik Mohammed et al(2)", then under category, select "transcripts".

We hope the families who attended in Guantanamo Bay and at the CCTV sites were satisfied with the level of access they were provided to view the proceedings.

The military judge set the next hearing in Guantanamo Bay for June 12-15, 2012.

Sincerely,

Karen V. Loftus
