

9/11 MEMORIAL
OF MARYLAND

March 15, 2011

Dear 9/11 Family Member:

On September 10, 2010, Governor Martin O'Malley announced the intention to create a Maryland 9/11 Memorial on the plaza of the World Trade Center in Baltimore's Inner Harbor. It will honor the extraordinary heroism, commitment and sacrifice of Maryland 9/11 victims, responders, and their families; and pay special tribute to the Marylanders who lost their lives that day. It will also provide a place of contemplation to reflect and remember. It is with honor that I accepted Governor O'Malley's appointment as the Chair of the Maryland 9/11 Memorial Committee.

An artifact from the Twin Towers will be the centerpiece of the Memorial. A competitive process was undertaken to select the most qualified team to design, build, and install the Memorial. In January 2011 the Baltimore architecture firm, Ziger/Snead, was chosen among a number of nationally known design teams. The Memorial will be completed this summer and dedicated on September 11, 2011.

As the design progresses to its final stages, we want to include the names of those who were residents of Maryland when 9/11 occurred, as well as any person who considered himself or herself a "Marylander." We are therefore sending this letter to all of the 9/11 families to see if there are names we should include in addition to the 51 names we have thus far. Please take a moment to review the list attached. If you would like us to include a name, to correct information, or if you have questions, please contact Susie Leong, Program Director, at the Maryland State Arts Council (sleong@msac.org, or at 410-767-6544). For more information and images of the artifact, please visit: www.msac.org/md911memorial.

Because we are on an ambitious timeline to have the Memorial dedicated on September 11, please contact Ms. Leong by **Wednesday, April 6, 2011**. After this date, the design of the names will be completed and cannot be altered.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Randall M. Griffin". The signature is written in a cursive, flowing style.
