ZADROGA LAW LEGAL FORUM – GET ANSWERS, ASK QUESTIONS

MARCH 20, 2011 | QUEENS COLLEGE KEPFERBERG HALL

10:00 A.M. – 2:00 P.M. (REGISTRATION BEGINS AT 9:00 A.M.)

LIGHT BREAKFAST WILL BE SERVED IN FOYER – NO FOOD IN AUDITORIUM, EXCEPT WATER

With the same determination and passion that got the James Zadroga 9/11 Health & Compensation Law passed, we bring the full force of the FealGood Foundation toward monitoring the proper enforcement of the Law itself. We've made it our mission to make sure there is transparency in the spending of over \$4 Billion dollars, transparency in the enactment of this Law and transparency coming from the Special Master's office.

With this being said we are proud to announce our own Legal Forum. We've are working closely with several Law Firms. We hand-picked these firms because we like their dedication, their compassion, their deep knowledge of the Zadroga Law and their allegiance to their clients. This does not mean you choose them, it means we bring them to you and let you decide.

Each Firm will be represented at this Forum. Our moderator, Sean P. J. Riordan, FealGood Foundation's own in-house counsel will moderate the day with a deep question and answer segment, a one-on-one segment and much more.

Come watch, listen and learn. We urge you to find out what you need to know before the Legislation opens for filing and we want you to be prepared.

This forum will be one of three or four over the next few months, so we can all get the answers we seek together.

Be sure to come see the Board of the FealGood Foundation or visit of the firms who will have information tables set up, and while you are there and ask us any questions you may have as well.

Sincerely,

The FealGood Foundation

In the interim, please keep in touch with us via our website, www.fealgoodfoundation.com, where we will keep you informed on all the latest news and happenings on the Zadroga Bill and its growth.
