**Broadway Style Dance Tribute
Honoring our Families, Heroes and Volunteers of 9/11
CROSSROADS THEATRE -NEW BRUNSWICK, NJ
NOVEMBER 6, 2011**

Broadway meets New Jersey in a deceptively simple set, constantly in motion. Performances transform the stage with a play of light, projections of musical selections of our great dance sets, beautifully choreographed movements demonstrated with a high energy cast of principal dancers. The innovative creations of this theatrical setting, will bring the audience to heights & depths of Broadway... hitting the stage in New Jersey.

On behalf of our Team & Committee we thank you for your support.
