

Dear 9/11 Families,

The hearings in U.S. v. KSM et al (2) are concluded for the week. The military judge heard oral argument on the Defense Emergency Motion to Abate the Proceedings to Allow the Military Judge to Conduct a Thorough Inquiry to Assess a Potential Conflict of Interest Between the Accused and the Defense Counsel Because of a Separate Criminal Investigation (AE292). He has taken the issue under advisement, meaning a decision will be made at a later date.

The next hearings in the case will be held August 11-15, 2014. We will provide more information, including the next docketing order, when it is available.

Sincerely,

Karen Loftus
