# Help Us ENROLL ONE MORE In the World Trade Center Health Program

Were you there? Was someone you know there?  
You may be eligible for medical and/or mental health treatment.

- Treatment is available for those who worked in the rescue, recovery or cleanup efforts at the World Trade Center and related sites in New York City.
- Survivors who lived, worked or went to school in the NYC Disaster Area are also eligible for the program.
- Practitioners experienced in 9/11-related conditions provide high-quality mental health and medical care, including treatment for some cancers.
- Located throughout the NY Metropolitan area, the WTC Health Program Centers of Excellence provide care at no out-of-pocket cost to you.
- Those living outside the NY Metropolitan area will receive medical monitoring and treatment from experienced providers in the Nationwide Provider Network.

If you know someone you think might benefit from the  
WTC Health Program, encourage them to contact us.  
Your words might help them get the care they deserve.
