

Dear Friend,

In recognition of the 14th anniversary of the end of the historic rescue, recovery, and relief efforts at Ground Zero, the 9/11 Memorial Museum is hosting a week of dedicated programs and commemorative activities from May 23 through May 30. As in previous years, there will be a special ceremony to honor the sacrifices and selfless contributions of all the rescue and recovery workers and their families. There will also be a moment of silence to remember all those who have succumbed to 9/11-related illnesses.

We would like to invite you and your guests to attend a special evening of tribute and remembrance on **May 26**. The evening will begin with a public program in the Museum's Auditorium at 4:00 p.m., followed by a **ceremony at the Last Column in Foundation Hall, beginning at 5:30 p.m.**

If you or a loved one are a part of the 9/11 Memorial's Rescue & Recovery Workers Registry, please reserve your ticket(s) by visiting [911memorial.org/rtributetix](https://www.911memorial.org/rtributetix), and choose either *Program and Ceremony Admission* or *Ceremony Only Admission*. If you have not yet joined the Registry, please register by visiting <https://registries.911memorial.org> in order to reserve your free ticket(s).

Please visit <https://www.911memorial.org/rtribute> to learn more about the May 26 tribute and other events commemorating the 14th anniversary of the nine-month recovery effort, including our exhibition **Hope at Ground Zero: FEMA Photographs by Andrea Booher**.
