

From 9/11 to today,  
helping families and communities heal after tragedy

...

## Our Mission

VOICES provides long-term support and resources that promote mental health care and wellness, for victims' families, responders, survivors, and families of those who have died of 9/11 related illnesses; and assists communities in preparing for and recovering from tragedy.

...

## Help Us Help Others

With your gift, we will advance our mission to create a world where families and communities impacted by tragedy will receive immediate and long-term support and the necessary resources to ensure healing and resilience in their lives.

## Your Contribution Will Support:

### Victims' Families, Survivors and Responders

Providing long-term support and resources that promote mental health care and wellness, including consultations, support groups, and programs.

### VOICES Annual Remembrance Symposium

Hosting annual conferences for victims' families, responders and survivors, as well as clinicians, service providers, and community stakeholders.

### Helping Communities Before and After Tragedy

Assisting communities in preparing for and recovering from tragedy by conducting training, sharing lessons learned, and providing support for those impacted.

### VOICES 9/11 Living Memorial

A digital archive of over 87,000 photographs that documents the lives of the 2,977 who perished on September 11, and the responders and survivors who have died since of 9/11 related illnesses.

### The Wolfgruber Digital Resource Library

In honor of our late Chairman, Kurt Wolfgruber, and his lifelong commitment to VOICES mission to promote healing and community resilience. The Library provides information and documentation surrounding 9/11, the aftermath, the formation of the 9/11 Commission, and victims' advocacy serving the 9/11 Community.
