

From 9/11 to today, helping families and communities heal after tragedy

...

Our Mission

VOICES assists communities preparing for and recovering from tragedy, and provides long-term support and resources that promote mental health care and wellness, for victims' families, responders and survivors.

...

Help Us Help Others

With your gift, we will advance our mission to create a world where families and communities impacted by tragedy will receive immediate and long-term support and the necessary resources to ensure healing and resilience in their lives.

Your Contribution Will Support:

VOICES Coronavirus (COVID-19) Response Program

Expanding support services and access to resources, mental health care, and information such as tip sheets and webinars.

Victims' Families, Survivors and Responders

Providing long-term support and resources that promote mental health care and wellness, including consultations, support groups, and programs with subject matter experts.

Annual September Symposium and Information Forum

Hosting annual conferences for victims' families, responders and survivors, as well as clinicians, service providers, and community stakeholders.

Helping Communities Before and After Tragedy

Assisting communities in preparing for and recovering from tragedy by conducting training, sharing lessons learned, and providing support for those impacted.

Honoring A Legacy of Resilience

VOICES is honoring our late Chairman Kurt Wolgruber's longstanding commitment to our mission with an initiative that advances lessons learned, conducts research, and provides resources that promote healing and community resilience.
